

# VisionChoice®

## YOU WILL SEE THE SAVINGS.

VisionChoice® is an eyecare savings plan designed to save members money on a wide array of vision products and services! VisionChoice® eliminates eyecare sticker shock because participating providers have agreed to offer their services at prices considerably lower than their normal fees.

### Benefits at a Glance

- No plan limitations so you can use the plan as often as you want.
- No waiting periods so you can use the plan as soon as you join.
- No claim forms to file so you save time and money.
- No deductibles to meet before using the plan.
- No extra cost for scratch resistant and UV coatings.
- Save up to 61% off the retail price for eyewear so buying a second pair is easy.
- Discounts on vision laser correction when performed by a participating specialty provider.
- 20% discount off contact lens fittings, training and follow-up appointments.

### Participating Providers

Members must use a participating VisionChoice® Provider to receive benefits. To locate a Provider, visit our website at [www.southlandvision.com](http://www.southlandvision.com) or call our Member Services toll free number at (800) 476-3010.

### Eligibility

If family coverage is selected, all active and family members, i.e., spouse, significant other, child, parent, or parent-in-law residing in the member's household are eligible.

### Claim Forms

There are no claim forms to complete because VisionChoice® is not a costly insurance vision plan!

### Group Size

The plan is available to groups with 3 or more employees. Groups with fewer than 10 members are required to pay monthly via Electronic Funds Transfer (EFT).
