ELIGIBILITY

Individual eligibility

All full-time employees, as defined by the master policy are eligible. If an employee is eligible, his/her spouse ages 18-69, is eligible for coverage.

Spouse coverage available

The employee may elect to apply for spouse coverage. Benefit amounts for the spouse are up to 50% of the employee amount. If the employee does not meet the underwriting requirements, the spouse may still be eligible for coverage. Spouse means a person of the opposite or same sex recognized as the insured's spouse/partner under the laws of the state. *(In Hawaii, the term also includes the insured's reciprocal beneficiary).*

Child coverage available

Each eligible child is covered at 25% of the primary insured amount at no additional charge. The definition of children may vary by state. Please review your certificate carefully.

Effective date of coverage

Coverage is effective on the date the application is signed, provided that the employee is actively at work and premiums for the coverage are paid.

Portability

The coverage is portable providing your coverage has been in force for one month after your certificate date and the group contract remains in force. Coverage will be continued at the same premium and coverage amounts then in force.
